

**YOUR PERSONAL  
WAREHOUSE MEETS CO-  
WORKING HUB.**

**STORE SMARTER, CUT  
FULFILMENT COSTS, AND  
GROW WITH A COMMUNITY !**

## Who We Are?

### 13 Years

Established in Singapore's self-storage industry

### Trusted Leader

Pioneer in innovative storage solutions

### Proven Track Record

Managed over 1 million sqft of industrial space

Established more than 13 years ago in Singapore's self-storage sector, Urban Space has evolved from traditional storage solutions to innovative e-commerce and logistics fulfilment services. We have a deep understanding of local business needs, enabling us to support our clients' growth and operational efficiency.

# What We Offer

## Workspace & Community

Collaborative spaces that connect online sellers, spark partnerships, and fuel shared growth.

## Individual Micro Warehouse Units

Individual, secure, and flexible storage with scalable spaces for businesses of all sizes.

## Integrated Delivery

Seamless last-mile delivery through trusted partners for faster, more reliable shipping.

## Packing and Fulfilment Station

Packing and labelling tools and supplies available in dedicated zones.

## Live Streaming and Marketing

Studios and tools to showcase products, engage customers, and boost sales.

## Networking & Training

Workshops, events, and skill-building programs to help businesses grow smarter and stronger.

More than storage: a hub for entrepreneurs, creators, and doers.

Pack, label, co-work, and grow — all in one space

03

## Why Choose Urban Space Fulfilment Hub

- **Cost & Operational Efficiency** – Integrated solutions reduce overheads and streamline processes.
- **Scalability** – Whether you're a small home-based seller or a fast-growing e-commerce retailer, we provide the infrastructure to grow with you.
- **Community-Driven** – Success is amplified when businesses learn and grow together.
- **End-to-End Support** – From warehousing to last-mile delivery, marketing to training, we cover the full spectrum of e-commerce needs.
